

Prepare for a new career in less than a year.

# CYBER DEFENSE CERTIFICATE

## AT HARFORD COMMUNITY COLLEGE

Jobs in  
cybersecurity  
are expected to  
increase  
**18%**  
from  
2014-24.\*

Start with hands-on experience and a pathway to immediate, entry-level employment in the high-paying, burgeoning field of cybersecurity.

- Are you available for evening classes?
- Are you at least 18 years of age and eligible to work in the U.S.?
- Are you TAA Displaced, Unemployed, Underemployed, a Veteran or spouse, or a minority?
- Are you able to commit to a rigorous course schedule and complete in one year?

**If you answered yes,  
the Cyber Defense Certificate  
may be for you!**

**Now Enrolling.**

Harford's Information Assurance and Cybersecurity program has been designated as a **Center of Academic Excellence** by the National Security Agency and the Department of Homeland Security.

Harford Community College is a partner with Cyber Pathways Across Maryland (CPAM), a collaboration of fourteen community colleges tasked with creating a statewide pipeline of qualified individuals in Cybersecurity. This program is funded by a TAACCCT grant that is co-administered by the Department of Labor and Department of Education.

This workforce product was funded by grant #TC-26466-14-60-A-24, awarded by the U.S. Department of Labor's Employment and Training Administration. The product was created by the grantee and does not necessarily reflect the official position of the U.S. Department of Labor. The U.S. Department of Labor makes no guarantees,

warranties, or assurances of any kind, express or implied, with respect to such information, including any information on linked sites and including, but not limited to, accuracy of the information or its completeness, timeliness, usefulness, adequacy, continued availability, or ownership.
